

# Background

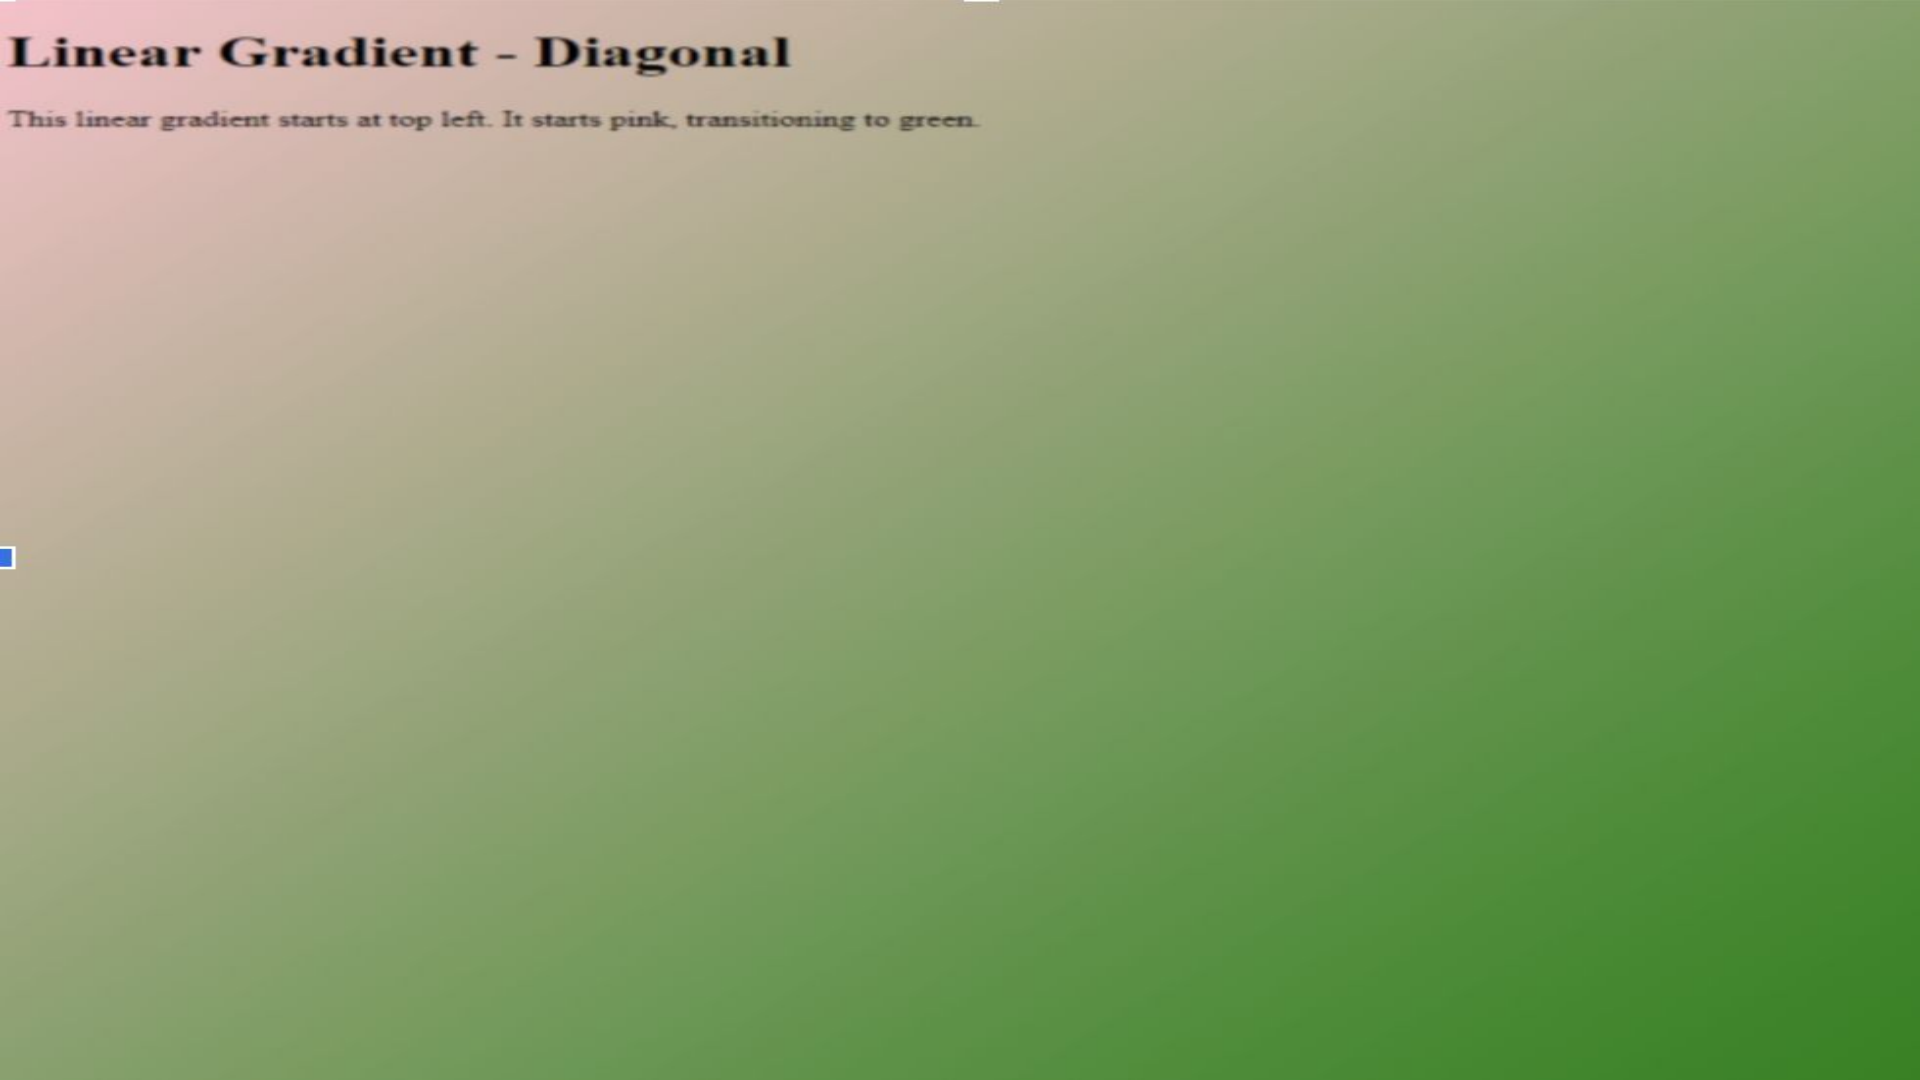

# Linear gradient

- `linear-gradient ( color1, color2)`
- `linear-gradient(20deg,color1,color2)`
- `linear-gradient(20deg,color1 0%,color2 100%)`
- to right
- to left
- to bottom
- to top
- to top right

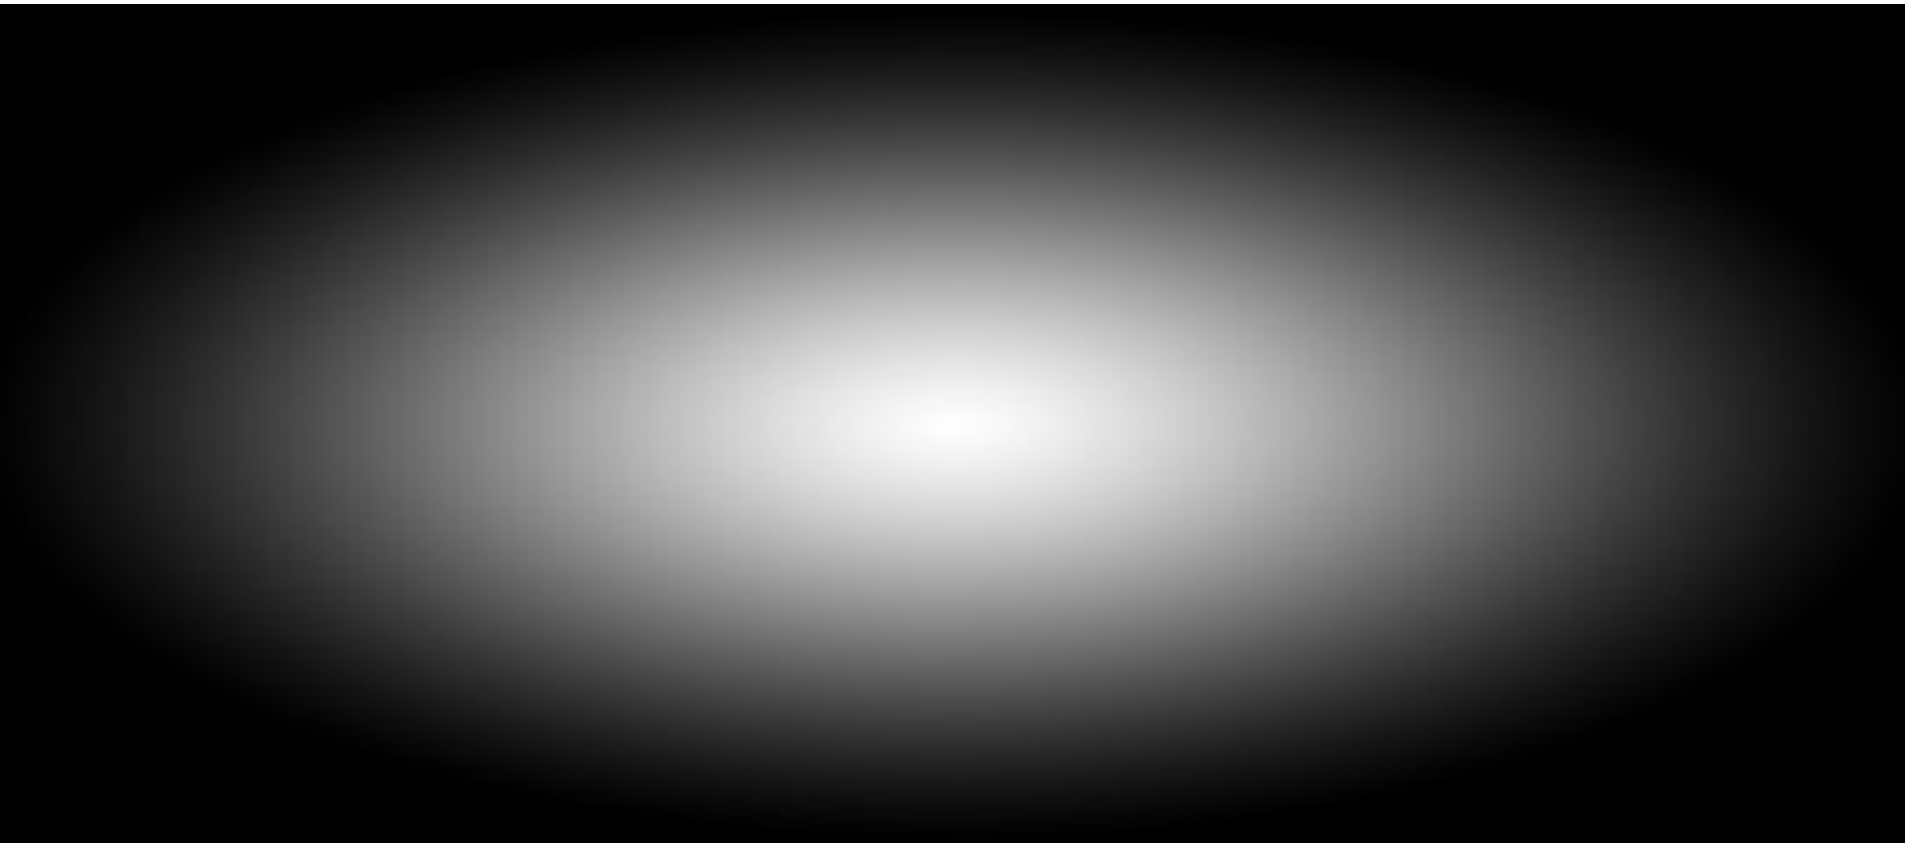

## Linear Gradient - Diagonal

This linear gradient starts at top left. It starts pink, transitioning to green.

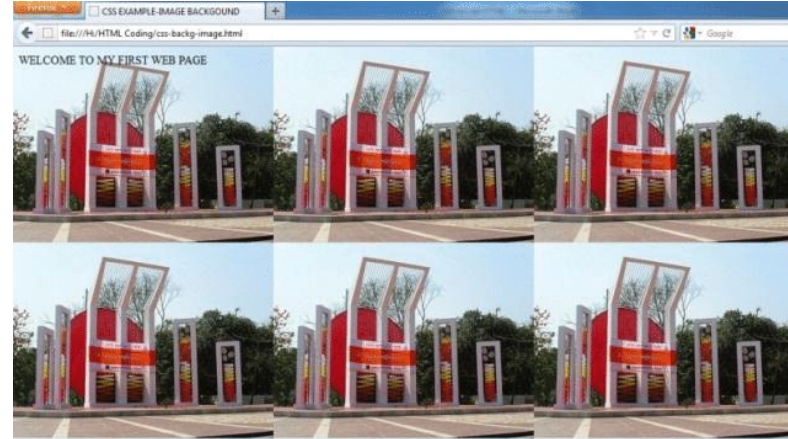

The image displays a full-page background with a diagonal linear gradient. The color starts as a light pink at the top-left corner and transitions smoothly to a medium green at the bottom-right corner. The gradient is oriented diagonally across the entire frame.

# Radial gradient

# Background images

- background-image
- repeat/repeat-x/repeat-y/no-repeat
- background-position
- background-size:100% 100%/ cover
- background-attachment:fixed
- background: #fff url(...) no-repeat right top;

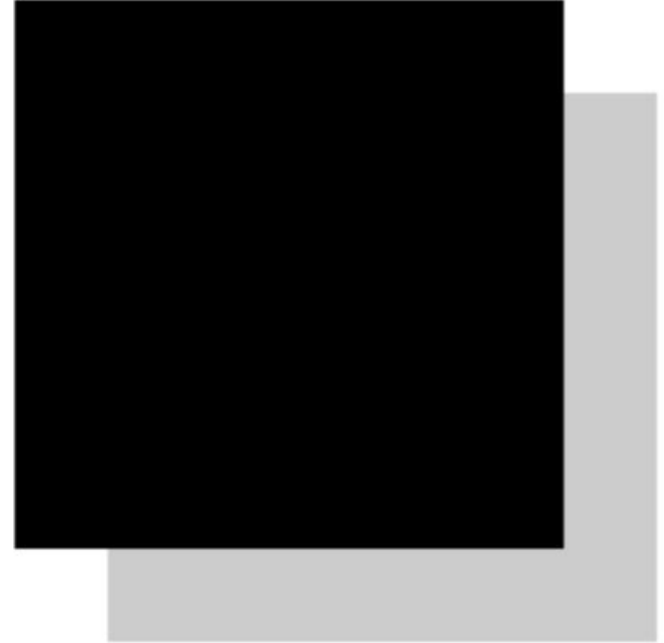

# Box shadow / text shadow

- `box-shadow:10px 10px;`
- `box-shadow:10px 10px 30px lightgray;`
- `text-shadow`

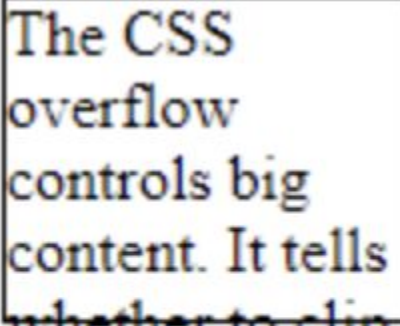

The word "SHADOWS" is displayed in a bold, black, sans-serif font. Each letter has a soft, gray shadow cast to its right and slightly downwards, creating a 3D effect. The entire text is centered within a light gray rectangular background.

SHADOWS

# Overflow

- overflow:hidden
- overflow:scroll/auto
- overflow-x:
- overflow-y

The CSS  
overflow  
controls big  
content. It tells  
whether to clip  
content or to  
add scroll bars.
